

Organized Storage

Designed for Efficiency, Engineered for Strength!

Why choose Lyon Modular Drawer Cabinets...

...to provide you with the highest density storage solution for small to mid-sized products, while reducing your storage footprint by as much as 50%.

Performance

The Lyon drawer suspension features the highest quality ball bearing rollers resulting in the "smoothest" operating drawers in the industry, empty and fully loaded.

Accessibility

Full extension drawers provide 100% visibility to the stored product. Lyon drawers are ergonomically engineered to provide the best possible human reach points.

Efficiency

Drawer interiors can be sub-divided into compartments for the storage of parts without cartons. Neat and organized storage improves inventory control.

Security

Choose from many different types of latching systems to provide for the safe secure storage of valuable products.

Modularity

Flexible design based on a "Building-Block" approach. From pre-engineered to custom-built products, Lyon offers an innovative array of easy order options to adapt to your future growth.

NOTE:

With a fully loaded (400 lbs.) drawer capacity, Lyon averaged 8,000 cycles compared to 4,000 competitive cycles before drawer push-pull forces exceeded 50 lbs.
